"Does anybody know where there's a bathroom around? Close?"

"Do you mean I'm the only man on campus?"

"... just because I look like a fragile beauty..."

Smiles, smiles, and more smiles

"You know what they say: where there's a will, there's a way."

"Now girls, the first matter on the agenda is to inform you: the floors' been waxed. Oh, you already know?"

"Give me your little ticket and I'll give you a goody grab bag."

"Didn't I have more stuff than this?"

The freshmen used to wear beanies until the Orientation week was over and they became full-fledged Lasell girls.

There are certain people who really make you feel great!

The first day is always the longest.

Way back in September of '73...

"Look at those fingers go!"

"It's time for a sing along with Sharon."

"I never would have believed it!"

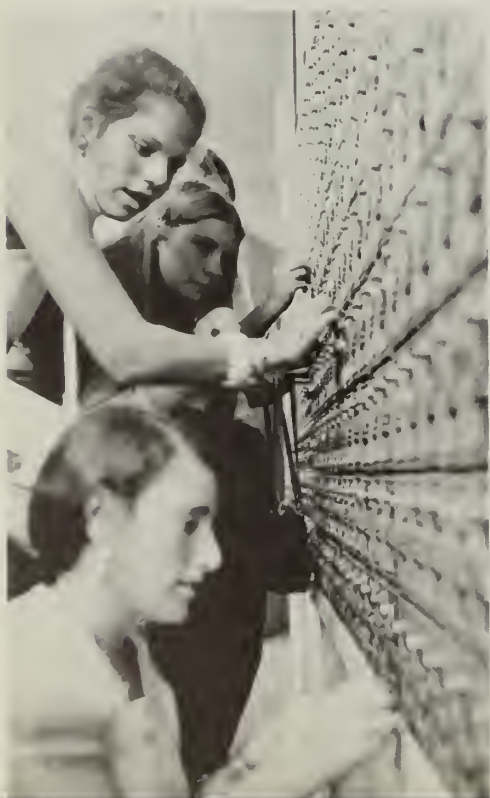

There was alot of jiving down at Winslow that night during Parent's Weekend!

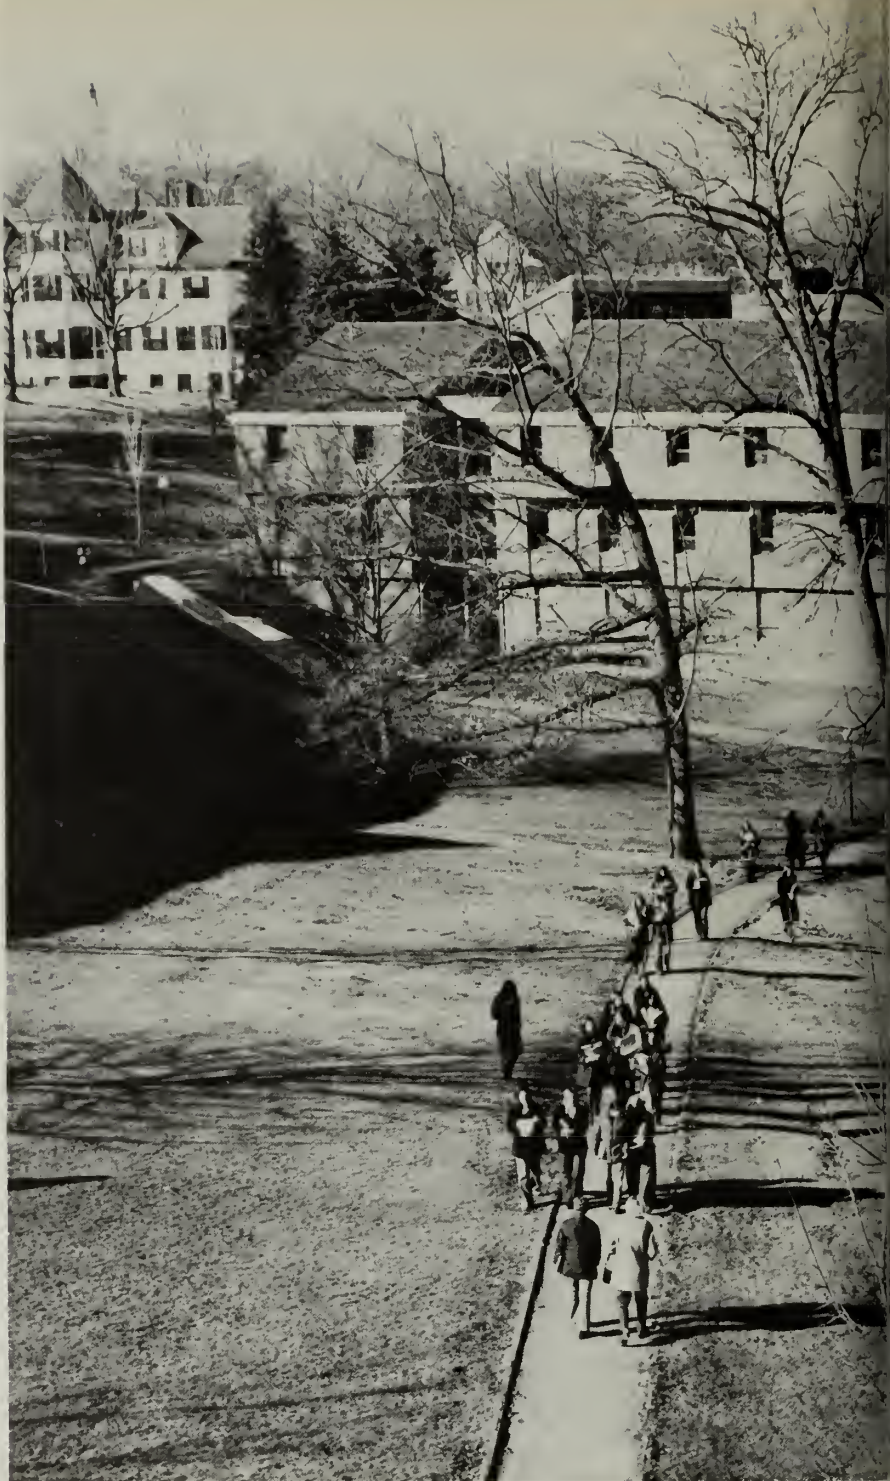

FRESHMEN DAY STUDENTS

Waiting in line can be a real drag--but not on such a nice day!

"I must have the wrong combination. Or maybe it's right-left-right instead of left-right-left!"

Hey, what's happening?

*"Maybe if I just lay down and took a nap
no one would notice."*
